

So, you've gotten the e-mail that you have been accepted to the university. Well, how do you view your acceptance letter? To do that you're going to go to Athens.edu, look on the right side and click Apply. Now, this will actually pull up the bear tracks login page. Here you'll use whatever login that you created when you started your application. If you ever have any questions with logging in to this portal, you'll have to contact the admissions office. Their contact information is always down here at the bottom at 2562338130. And then of course you can just email them at Admissions@athens.edu. So let's go ahead and sign in here. So to view your admissions decision letter, look under your to-do list, you should see over here, view admission decision. Click there, and then click that link to open up the PDF. This PDF, of course, will have your student ID number, your date of birth for your PIN, and then instructions on how to login to your banner self-service, formerly called Athens State Online, and then how to view your email address so then you can log into that account as well. If you are a returning student, you've attended Athens state before, you're coming back for a second degree, complete your previous degree or for a Masters. This PIN is not going to work for you. You will have to give us a call at the help desk or send us an email so we can reset that pin for you. Our hours are Monday through Thursday, 8 AM to 6 PM, Friday, 8 AM to 4:30 PM. And then on Sunday we do have virtual support hours from 12 PM to 6 PM where we can be available to assist you.
